Friends of Advice Mid Wales

We have been helping people in Mid Wales for over thirty years and we need your help to continue as we are very short of money. We need about £23,000 a year regular income in order to stay open and carry on helping people with their problems.

We are inviting you to **join Friends of Advice Mid Wales** and contribute towards our costs. In return, we will be able to stay open for you and your families, always there with free, frank, impartial and confidential help, advice and information.

We are asking you for just £5 or more per month, and if you are a tax payer we can claim an extra £1.25p from HMRC as well from tax you have already paid.

To do this you only have to complete the form on the opposite page and return it to us, together with either an **annual** or **one off donation**, or you can **complete the Standing Order and we will collect the donation from you monthly**. You don't even have to remember to pay us!!

Should you wish to make a one-off or a regular monthly donation without becoming a friend of Advice Mid Wales or setting up a Standing Order, then you can do so by visiting our LOCAL GIVING web page at www.localgiving.org/advice-mid-wales-canolfan-cynghori-bro-dyfi-advice-centre

Remember that by helping us we can help you!!
